Video: One Physician's Journey into Meaningful Use

December 06, 2011 | RSNA 2011 [1], Meaningful Use [2]

CHICAGO — In this interview, the CMIO at Southwest Diagnostic Imaging discusses the process his practice followed to qualify for meaningful use, where they stand now, and whether the work has been worth it.

Thinking about diving into meaningful use? James Whitfill, MD, took the plunge.

In this interview from RSNA 2011, the CMIO at Southwest Diagnostic Imaging discusses the process his practice followed to qualify for meaningful use, where they stand now, and whether the work has been worth it.
